

UPUTE ZA PISANJE SAŽETAKA

Sažetci predavanja i postera bit će objavljeni u **suplementu časopisa Libri Oncologici** te moraju biti napisani na engleskom jeziku.

- sažetak pisati na engleskom jeziku
- naslov - na engleskom jeziku - velikim slovima
- ime i prezime autora i koautora pisati bez titula
- navesti službeni naziv i adresu institucije autora i koautora na engleskom jeziku
- numerički povezati autora i instituciju

- koristiti font Times New Roman, veličina 12

- prored 1,5

- opseg sažetka: 500- 750 riječi

- ključne riječi: 3 do 6 riječi ili fraza

- sažetci neće biti lektorirani - za jezičnu i sadržajnu ispravnost odgovara autor

Primjer:

HORMONAL THERAPY OF BREAST CANCER

Ime Prezime¹, Ime Prezime²

¹*Department of Medical Oncology, University Hospital Center, Zagreb, Croatia*

²*School of Medicine, University of Sarajevo, Bosnia and Herzegovina*

Endocrine therapy is the mainstay of treatment for patients with invasive breast carcinoma that is positive by immunohistochemistry for ER protein expression (ER+).

Hormone therapy following surgery, radiation or chemotherapy has been shown to reduce the risk of breast cancer recurrence in people with early-stage hormone-sensitive breast cancers. It can also effectively reduce the risk of metastatic breast cancer growth and progression in people with hormone-sensitive tumors.....

Keywords: systemic treatment, early breast cancer, hormonal therapy
